Sir,

The complaint dated 26/08/2019, was placed before the Commission on 24/09/2019. Upon perusing the complaint, the Commission directed as follows.

The complainant has alleged that one company named Aakashganga Processors Private Ltd., carrying out the work of printing sarees, is using duplicate chemicals which is a serious threat to the health of the workers who are working in the Company. Despite complaints, no action has been taken by the concerned authorities.

Transmit a copy of the complaint to the Chairman, Central Pollution Control Board and Labour Commissioner, Surat, Gujarat calling for a report within four weeks.

2. Accordingly, I am forwarding herewith a copy of the complaint for taking appropriate action in the matter as per the directions of the Commission. It is requested that an Action Taken Report be sent to the Commission within 4 weeks from the date of receipt of this letter.

Yours faithfully,

ASSISTANT REGISTRAR (LAW)

Complainant : Dyeing Master & Printing Master and all their staff Subject : For use of Duplicate chemical with risk of labour workers thereby play with life of workers as they get serious skin problems and for violation of laws for that to take strict action. Hon'ble Sir, It is hereby respectfully informed that, in above stated organization about 15-20 workers are working in Dyeing & Printing department. Said opponent company is printing Sarees and for printing said opponent company use duplicate chemical which is dangerous for workers who working in the said company for that Dyeing Master & Printing Master and all their staff has make so many

complaint to the mill owner and management but they don't take any care of law and not hear a y complaint of the workers and owner and management gives threat to the workers for fired from the job and kill by death therefore they came to us with complaint against opponent for that we informed to you sir that, Opponent mill is the printing mill and in printing chemicals take in use as per prescribed by the government laws and in the laws not permission for use chemical which are dangerous to health of workers and dangerous for their skins but opponent don't care for any law and use the duplicate chemicals as per their need and make production which is also poisonous. Cause to printing with hazardous / dangerous duplicate chemical so workers along with nearby company's worker and open public get harassing with skin diseases and cause to that duplicate chemical burning in eyes, hand-legs fingers get blackish and dry look like a Kushth Rog therefore workers of the opponent get feared and so many complaint filed by the workers but no any action taken by the concern authority as owner of the said company have very powerful reach and influence in politics and reach relation with concern authority like GPCB, NGT, Health Department, Health Ministry, EPF, ESIC, Labour Commissioner etc concern departments and cause to reach relation with concern authority no action taken up to date. As we found that said opponent has no any legal license from GPCB for use of said dangerous chemicals therefore it is necessary to take strict legal action up to shut down the company. Also this opponent mill's owner and management take hard work from the workers and take over time work but not paid proper amount and opponent mill's owner / management not give any salary sleep to the workers and not to pay any Government allowance like ESIC, EPF and other allowances and if workers demands for it then they gives threat to fired from the job and do any thing as per like to workers and their unions as opponent mill has so powerful influence in ESIC, EPF, Labour commissioner etc government department's officer and they give huge amount to the concern department's office therefore no any proceeding proceed for the case of workers thus opponent make breach of law also. Therefore we humbly urged to you sir, that sir please take immediate action regarding our application in short time by make ban over the duplicate chemical used by this opponent company and to avail EPF, ESIC and other benefits to the workers and take strict action up to shut / close the said company and help to other workers and nearby victims of duplicate chemical by not burnt their hands, finger, body, we hope for immediate legal procedure against said opponent company. We hope for immediate legal procedure against said opponent company. The labour officer and PF Officer and other related concern officer are make violation of law and hence mill owner are very uncourageous for make exploitation of workers. We have make complaint lots of time but there is no any action has been taken against opponents. Please, we hereby request to undergo detail inquiry and make assured to shut said company and opponent company has make breach of laws by not getting proper licenses from the authority and playing with life of labours and common public therefore suo-moto required in this matter. Therefore in this case please communicate all action related correspondence to us so we can check progress of our public interest application result. Thanking you. Coordinator of All India Forward Block

Relief For use of Duplicate chemical with risk of labour workers thereby play with life of workers as they get serious skin problems and for violation of laws for that to take strict action.
