Sir,

Central Pollution Control Board had issued closure direction to the non-complying Sugar industries in your State under Section 5 of E (P) Act, 1986 on account of non-installation/non-connectivity of OCEMS or for non-compliance with the notified standards/other shortcomings observed during inspections conducted by CPCB. In this regard, it is requested to please get such Sugar units (**list enclosed**) inspected and verified whether they have closed-down the operation with respect to the direction of CPCB and to ensure that the industry shall not commence its crushing season 2019-20 under any circumstances without revocation of closure direction from CPCB.

Kindly provide your action taken/compliance status in respect of said units to CPCB at the earliest preferably before November 20, 2019.
