Sub: Changing of Monitoring Station under NWMP

Sir,

This has reference to Letter no. WB/LB-130/03-04/338, dated 18th May 2018, received from Pollution Control Board, Assam, regarding change of monitoring location due to unavailability of water level throughout the year in KamalpurBeel, Assam. A new monitoring location has been selected namely Barnodi River at DumnichowkiKamrup(R) at NH-52 crossing and its name is desired to be included under NWMP with same station code but change of name in the EWQDES software.

It is requested to verify the new monitoring proposed location including availability of water level and submit the report to CPCB (HD) to enable to take further action on the matter.

Yours faithfully

(R.M. Bhardwaj)

Sc 'E' & In-Charge WQM-I Div.

Encl: As above
