|        | Reason for import or export                                                                                                                                                                                                                                                             | The main sources of manufacturer of Rubber Granules, Rubber Chips and Crumb Rubber out of Old Rubber Tubes Scrap, Conveyor Belts and Tyres Scrap that is not easily available in India Market. Due to less availability of rubber scrap in the local market and also the less prices of rubber scrap in the international market, it is required to import Old Rubber Tubes Scrap, Conveyor Belts And Tyres Scrap. So that we run the plant and stand in the industry. |

## 9. Undertaking

I hereby solemnly undertake that:

- (i) The information is complete and correct to the best of my knowledge and legally-enforceable written contractual obligations have been entered into and that my applicable insurance or other financial guarantees are or shall be in force covering the transboundary movement.
- (ii) The waste permitted shall be fully insured for transit as well as for any accidental occurrence and its clean-up operation.
- (iii) The record of consumption and fate of the imported waste shall be recorded and report sent to the SPCB every quarter.
- (iv) The hazardous or other waste which gets generated in our premises by the use of imported hazardous or other wastes in the form of raw material shall be treated and disposed of as per conditions of authorisation.
- (v) I agree to bear the cost of export and mitigation of damages if any.
- (vi) I am aware that there are significant penalties for submitting a false certificate/ undertaking/ disobedience of the rules and lawful orders including the possibility of fine and imprisonment.
- (vii) The exported wastes shall be taken back, if it is not acceptable to the importer.
