F.No. 190003/WQM-II/CPCB/2018/

Date: 12.04.2018

To,
The Regional Director
Regional Directorate (North)
Central Pollution Control Board,
Ground Floor, PICUP Bhawan,
Vidhuti Khand, Gomati Nagar,
Lucknow – 226010

Subject: Verification of the GPIs in the main stem of Ganga.

Sir,

Central Pollution Control Board (CPCB) has inventorised 938 GPIs in to main stem of Ganga & its Tributary. These GPIs are being inspected through the technical institutes during April to June 2018.

Out of 1109 GPIs, 152 units from RD-Lucknow region have been deleted during re-inventorization. It is also planned that all 152 GPIs being deleted from GPIs list shall be inspected by CPCB officials for verification of operational / compliance status.

Out of 152 GPIs, 4 sugar & distillery units has already been inspected (regular inspection) during January to March 2018. Out of remaining 148 GPIs, 16 GPIs are either repeated in the list or are being inspected by the Technical Institute. Considering the urgency of the work, you are requested to kindly constitute team for carrying out the inspections of the deleted 132 GPIs (List enclosed).

These inspections will be carried out during April to June 2018. Kindly inform to CPCB, H.O. regarding the schedule of the inspection immediately.

Yours Faithfully

A. Vidyarthi
