Sub: **Compliance Verification of M/s. Dalas Biotech Ltd., Rajasthan w.r.t. direction u/s 5 of E(P) Act 1986 to -reg.**

Ref.: 1) *CPCB closure direction u/s 5 of E(P) Act, 1986 dated March 01, 2019.*
2) *CPCB revoke direction u/s 5 of E(P) Act, 1986 dated May 17, 2019.*

Sir,

This has reference to closure direction dated March 01, 2019 issued to the unit M/s Dalas Biotech, Rajasthan. A request from the unit to revoke closure direction was considered as new R.O. plant was under installation and the unit was allowed to resume operation till June 09, 2019 vide revoke direction dated May 17, 2019 with following conditions:

1. The unit shall maintain log book for the effluent quantity to be sent to CETP, Bhiwadi.
2. The unit shall obtain valid consent to operate from Rajasthan SPCB before restart of operation.

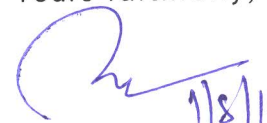

In this matter no reply was received from the unit hence a letter dated July 17, 2019 was issued to the unit to inform operational status of the unit and new R.O. plant installed by the unit.

In response the unit has submitted reply vide letter received on July 29, 2019 that the unit has completed the installation and commencement of new RO system. The unit has submitted analysis report of RO outlet from Universal analytical lab, Daruhera, Haryana. Original letter received from the unit is attached herewith for your kind reference please.

In this matter it is requested you to re-inspect the unit for verification of compliance along with performance assessment of RO plant and submit the report by August 20, 2019.

Yours faithfully,

Encl. as above
