July 04, 2019

To,

The Regional Director
Central Pollution Control Board,
Parivesh Bhawan, Opp. VMC Ward Office No. 10
Subhanpura, Vadodara-390023

Sub: Direction issued under section 5 of the Environment (Protection) Act, 1986 to M/s Gujarat Enviro Protection & Infrastructure Ltd, Village Gabheni, Near Sachin GIDC, Dist-Surat, Gujarat-reg.

Ref: (i) CPCB letter no. B-29016(SC)/56/10/HWMD/5162 dated 27/10/2010
(ii) CPCB letter no. B-29016(SC)/1(56)/17/WM-II/4553 dated 19/06/2017(copy enclosed)
(iii) GPCB letter no. GPCB/HAZ/CCA-SRT-618(14)/426634 dated 02/11/2017 (copy enclosed)
(iv) CPCB letter no. B-29016(SC)/56/18/WM-II/16949 dated 08/02/2018(copy enclosed)
(v) CPCB letter no. B-29016(SC)/56/18/WM-II/7145 dated 12/07/2018(copy enclosed)

Sir,

This has reference to the above referred directions dated 27/10/2010 issued under section 5 of Environment (Protection) Act, 1986, by CPCB to M/s Gujarat Enviro Protection & Infrastructure Ltd, Surat, Gujarat.

CPCB vide letter dated 19/06/2017, requested Gujarat PCB to submit the current status of said facility including management of leachate from closed secured landfill and storage/disposal of 3475.50 MT stored hazardous waste (as per the inspection report of RD Vadodara conducted in May, 2015).

In this regard, GPCB vide letter dated 02/11/2017 has informed about disposal of said 3475.50 MT of stored hazardous waste to M/s Recycling Solution Pvt Ltd, Panoli and M/s Geohybrid Industrial Solutions Privat Limited, Surat, which was also verified by the officials of GPCB. However, during the visit of GPCB, about 350 MT contaminated fly ash, 50 MT saw dust and 40 MT discarded containers were found stored in the storage shed. In this context, it was also informed that the facility operator vide letter dated 09/08/2017 claimed that the said waste has been sold and transferred to their sister concern unit located at Panoli.

Accordingly, GPCB vide above referred letter dated 08/02/2018 followed by reminder letter dated 12/07/2018 requested to verify the claims made by the operator and also provide the details on management of leachate collected from leachate collection wells. However, no response has been received from Gujarat PCB so far.

In view of above, it is requested to kindly visit the said facility for verification of claims made by the operator and also provide the status/details on management of leachate collected from leachate collection wells at the earliest to enable this office in taking appropriate action on the aforesaid directions dated 27/10/2010.

Yours faithfully,

(Abhey S. Soni)

Additional Director & Head
Waste Management-II Division

Sub.: Directions issued under Section 5 of the Environment (Protection) Act, 1986, to M/s Gujarat Enviro Protection & Infrastructure, Surat, Gujarat- regarding.

Ref: Gujarat PCB letter no. GPCB/HAZ/CCA-SRT-618 (14)/426634 dated 02/11/2017

Sir,

This has reference to the above referred letter dated 02/11/2017 regarding status of modified directions issued by CPCB vide direction dated 27/10/2010 to M/s Gujarat Enviro Protection & Infrastructure Ltd, Surat, Gujarat.

Vide above referred letter dated 02/11/2017, it has been informed that during the visit of GPCB officials (i.e on 09/08/2017) about 350 MT contaminated fly ash, 50MT saw dust and 40 MT discarded containers were found stored in storage sheds. The unit has claimed vide letter dated 09/08/2017 that the same has been sold and transferred to their sister concern unit located at Panoli. It has also been informed that the operator has provided three leachate collection wells for management of leachate from closed secured landfill.

In this regard, it is requested that Gujarat PCB may kindly verify the aforesaid claims of the operator w.r.t transfer/disposal of contaminated fly ash, saw dust and discarded containers. Further, details on management of leachate collected from leachate collection wells may also kindly be provided to enable CPCB in taking appropriate action on the said directions dated 27/10/2010, please.

Yours faithfully,

(Bharat K Sharma)

Sub: Current status of M/s Gujarat Enviro Protection & Infrastructure Ltd, Gabheni site-regarding.

Ref: CPCB letter No: F.No: B-29016 (SC)/1(56)/17 WM-II/4553 dated: 19/06/2017

Respected Sir,

With regard to above mentioned subject and reference, it is kindly be informed that the Board has issued one time permission for disposal of hazardous waste @ 3500 MT from M/s Gujarat Enviro Protection & Infrastructure Ltd, Gabheni to M/s Recycling Solution Pvt Ltd, Panoli and M/s Geohybrid Industrial Solutions Private Limited, Surat dated: 17/04/2014.

In context to that, M/s Gujarat Enviro Protection & Infrastructure Ltd, Gabheni has disposed the earlier stored hazardous waste at above said facility which has been also verified by the officials of GPCB during visit dated 9/8/2017. However, during visit about 350MT contaminated fly ash, 50 MT saw dust and 40MT discarded containers were found stored in storage sheds. The photographs of the same are attached herewith for your reference. Unit has submitted vide letter dated 9/8/2017 that the same has been sold and transferred to their sister concern unit located at Panoli. Also the facility has provided three leachate collection wells for management of leachate from closed secured landfill.

This is for your information and necessary actions.

Thanking you,

(K.C.MISTRY)

Paryavaran Bhawan, Sector 10-A
Gandhi Nagar - 382010

Sub : Directions issued under Section 5 of Environment (Protection) Act, 1986, to common TSDFs - Reg

Sir,

This has reference to the modified directions No. B-29016(SC)/1(56)/17/HWMD/5162-65 dated 27.10.2010 issued to M/s Gujarat Environ Protection Infrastructure Limited (GEPIL), Surat, Gujarat, pertaining to non-compliance observed with respect to operation of Common Hazardous Waste Incinerator and secured landfill at M/s GEPIL, Surat, Gujarat.

Subsequently, Gujarat PCB issued directions dated 30.11.2011 to M/s GEPIL, Surat, Gujarat not to receive any hazardous waste followed by withdrawal of consolidated Consent & Authorization (CCA) vide directions dated 05.03.2012.

The inspection report of Regional Directorate, CPCB, Vadodara (Inspection conducted in May 2015) reveals that the facility was not found operational since the facility is closed down. The Incineration system was scraped/dismantled. It was also reported that about 3476.50 tons of hazardous waste were found to be stored which were supposed to be disposed in other facility. Further, storage of the same was improper.

It is requested to kindly arrange to send current status of the facility including management of leachate from closed secured landfill and storage/disposal of the said stored waste, so as to enable CPCB in taking appropriate action with respect to the said modified direction dated 25.10.2010. The said current status may kindly be sent at the earliest, preferably by June 30, 2017.

Yours faithfully,
